Jan,

Note there are comments on slide 8 and 26 of the powerpoint and we have deleted those slides that corresponded to Jeananne's talking points. Let me know if you have any questions on the changes to either document.

Also the FRN states that today *"EPA will post a general agenda for the hearing that will list the order of pre-registered speakers and their approximate timeslots at: <https://www.epa.gov/aboutepa/about-epa-region-4-southeast>. Please note that timeslots will be estimated and speakers are encouraged to join the webinar at least 15 minutes prior to the start of their estimated speaking time."* So when you have that available please send to me ASAP.

Another question, one of the speakers called me saying he had not yet received a link to join. Have those been sent out yet? It was Eric Hughes, who is scheduled to speak tomorrow.

Thanks!
